

CLASS	II	Description: Trail parallel to Huffine Lane along Cobb Hill into the City of Bozeman. Route would begin at Jackrabbit Lane and run parallel to Huffine Lane along Cobb Hill linking existing subdivisions and trail systems. Route has potential to follow a portion of an abandoned rail spur if an easement were acquired. The area is large at this time to accommodate future trails that are planned in the Gooch Hill West development and other subdivisions.
TREAD	NATURAL FINES	
MINIMUM WIDTH	6'
