

CLASS	II	Description Trail connections to Sourdough and Leverich Canyon from Nash Park. Nash Park Complex would be connector trails from Nash Park to both Sourdough Trail to the east and Leverich Canyon to the South. Improvements may include a small parking area at Nash Park to serve as a trailhead for these two connections.
TREAD	NATURAL FINES	
MINIMUM WIDTH	6'	
DATE ADOPTED	2010	Limited opportunity for connection through new subdivision in this area so connections would require using existing rights of way, subdivision roads and additional trail easements from private landowners.
