

CLASS	I	DESCRIPTION: Trail would connect Manhattan to County Park at Logan. Trail would follow existing rights of way. Additional easements may need to be acquired from private landowners and the Rail Road. Corridor is wide at this time but will be narrowed as specific sections are completed or easements acquired. On land owned by county and the American Legion, in partnership with Fish Wildlife and Parks is being developed into a Veterans community park and boat ramp fishing access.
TREAD	NATURAL FINES	
MINIMUM WIDTH	8'	
DATE ADOPTED	2010
