

CLASS	I	DESCRIPTION: Loop trail under the interstate along old Rail Road grade south of Manhattan. There is an existing access under the interstate from an abandoned rail bed. This route will connect into the existing trail system of the Farmstead Subdivision and Taylor Park in the City of Manhattan. The trail will then follow along Churchill Road and head north along Manhattan South Road under the interstate again to the east end of Manhattan. Easement from private landowners would be required.
TREAD	NATURAL FINES	
MINIMUM WIDTH	8'	
DATE ADOPTED	2010
