ROUTE #9

CLASS	П	Description: Manhattan to Churchill along Churchill Road using the existing rights of way and
TREAD	NATURAL FINES	abandoned railroad bed if feasible. Because much of this route is abandoned rail bed, existing rural road, or dedicated road right of way, construction of the trail could be relatively inexpensive. Easements would have to be obtained from at least one private landowner which is always a challenge. Some portions may still be owned by the Rail Road.
MINIMUM WIDTH	6'	
DATE ADOPTED	2010	Trail would potentially connect to Route #6 on the north end and Route #12 to the south.
