January 17, 2023 @ 11:00 AM

Discussion re:

Senior Groups

- Do you want to delegate review of funding applications from Senior Citizen organization to someone other than the Commission?
- If yes, do you want that to be an internal or external committee?
 - o Internal – Who shall comprise the committee?
 - o External – Do you want parameters around committee composition or priorities? Do you want to grant the funding to an outside organization and let them determine how to distribute the funds?
- How much funding do you want to allocate for FY 2024?

Other Outside Agencies

- Do you want to retain the review of other outside funding applications?
 - o What priorities do you want to set for FY 2024?
 - o Do you want to allocate an amount of available funding?

Marijuana Money

- How do you want to allocate marijuana money?
- When do you want to meet with the Cities to discuss?
