

COMMISSION WORK SESSION MEETING COMMISSION CONFERENCE ROOM

June 15, 2020 @ 8:30 AM

- **Discussion re:** Remote Work Policy
- **Discussion and Decision re:** Request 50 hours of comp be allowed for Mr. David Baumberger and Mr. Brandon McDaniel. This request is retroactive.

Summary: Mr. Baumberger is the Sr. Network Engineer for Gallatin County and Mr. McDaniel is a Network Engineer for Gallatin County. The last two pay periods, there was a significant project to create redundancies and network failover for the public safety network. During the project, the need to work late and come in early was needed to avoid impacting users and implement key technologies. The accrued time by Mr. Baumberger and Mr. McDaniel was not anticipated thus a request ahead of time was not completed.
